WNTC to Recommence Evening Broadcasts

Campus Station WNTC will resume its full broadcasting schedule beginning Monday, March 21, with the reopening of its evening programs from eight to eleven. This decision was made at the Executive Board meeting held on Friday, March 11. These broadcasts will be in addition to the "Morning Bandstand" program that is presently on the air from 7:30 to 9:30. The evening schedule will be broadcasted Mondays through Fridays while the morning program is on the air Mondays through Saturdays.

The evening shows will consist of popular and classical music, plays, sports, news and other interesting topics. Each week there will be broadcasts of special interest such as a Polygon Club quiz program and name band shows. A weekly program schedule will be released covering all broadcasts.

The announcers of the request programs would appreciate requests from the radio listeners. Listeners are asked not to phone in but a postal card request may be sent to station WNTC.
